Future communication changes.....

We would like to give early notification that as of Easter, we will be changing the way we communicate with you.

This is to streamline our comms to make it easier for parents and to reduce school costs too. From the 1st of April, we will no longer be using Parentmail to send texts and emails, instead we will be transferring over to Schoolspider. At this stage, **YOU DO NOT NEED TO DO ANYTHING at the moment**, just be aware and wait for further instructions from the school office.

Flintshire Schools will also move away from School

Gateway to pay for dinners, trips, snacks etc. An app called Cypad will take its place. This will enable parents to select their child's/ren's dinner choice. Once again, **you do not need to do anything at the moment**, just be aware that changes will be taking place.

Upcoming dates
