On Monday, we had the pleasure of meeting the Texans. They held a special assembly teaching us about some of the animals you would find in Texas. Afterwards, they taught the juniors either American football or line dancing skills. The Texans were a cheerful group and helped us improve our line dancing or American football throws. Over breaktime they led activities that included corn hole, axe throwing, more American football etc.

They were kind and supportive, especially if we made mistakes. Altogether they were a splendid group to welcome into our school, and we would gladly like to meet them again!

Diolch Mrs Betts for organising this event.
