### Gareth Metcalf Inspires Problem Solving...

This week, we were thrilled to welcome Gareth Metcalf to our school. He worked with our junior pupils on word-solving problems, sparking excitement and confidence as they tackled challenging tasks in fun and creative ways. Pupils were enthusiastic, engaged and proud of their achievements.

Mr Metcalf also delivered professional development for our staff, sharing strategies and ideas that will further strengthen the teaching of reasoning and problem-solving across the school. This inspiring day has left both pupils and teachers buzzing with new ideas!

### A visit to Dosbarth 3 a 4 from Xplore Learning!

Classes 3 and 4 were excited to explore the human body and the magic of "3" with Xplore Learning. Through hands-on activities, we discovered how our bodies work and how the number 3 shapes our world.
